Life Spectrums Announces the 26<sup>th</sup> Annual Summer Conference and Retreat for the Soul  
**Holy Grail: Vessel of the Soul**

## **Survey Results Heard-and Acted On!**

Have you ever wondered about the results of Life Spectrums' evaluations? Every year we ask you to fill out evaluation forms so we can gear the future events to the needs of our most important members - those who attend the conference! We "again" received excellent reviews and some great ideas about how we can make the next conference even better!

This year we had an additional survey to give members a say in the future location of our conference. The surveys overwhelmingly supported a move to a resort. **The Board of Directors is delighted to announce LIFE SPECTRUMS 2005 conference, "Holy Grail: Vessel of the Soul," will be held at Pocono Manor Golf Resort and Spa, in Pocono Manor, PA.**

We also heard many voices requesting a return to a July date and we are thrilled that Pocono Manor was available. Mark your calendar for **July 14-19, 2005.**

Other survey results:

96% of you who gave us surveys plan to return next year

\*Programming and friendship, sharing, and spiritual growth drew you to the conference.

So, please plan to join us again in 2005 and bring a friend or family member to share in our community.

## **Holy Grail: Vessel of the Soul**

**July 14-19, 2005, Pocono Manor, PA**

The Board of Directors and the 2005 Program Committee are already feverishly putting together the next Life Spectrums annual summer conference and retreat for the soul. We are contacting some of our favorite teachers to return and have been scouting for new workshop leaders and new topics.

The format for the 2005 conference is manifesting into a full, 6 day retreat or an optional shorter, 2-4 day weekend conference.

And we are creating a varied experience, utilizing the great outdoor options at Pocono Manor, along with our more traditional classroom learning.

We envision the setting of the resort and the convenience of a weekend option will draw new retreatants as well as former retreatants. Join us for a week, or weekend, of spiritual exploration and sharing at Pocono Manor Golf Resort and Spa in Pocono Manor, PA.

**Life Spectrums has always been a volunteer, non-profit organization, and our best supporters are those who attend our conference. If you would like to volunteer or promote our conference in your area:**
