## *Ascension: Awareness, Movement, Truth*

The Board of Directors of Life Spectrums is pleased to announce our 25<sup>th</sup> annual conference, *Ascension: Awareness, Movement, Truth*.

**We will be meeting at Albright College in Reading, PA, a convenient location in south central Pennsylvania. The conference dates are August 1-6, 2004.**

The Board has been contacting colleges and various other locations since spring, volunteering extensive time and energy to find a conference site after we were informed that Elizabethtown College was discontinuing summer conferences. Kudos to all who pitched in.

The Conference Program Committee has begun creating an amazing program for the 2004 conference. Fortunately, many of our favorite presenters will be able to return and we will have new presenters and topics. More to come on this in the winter mailing.

This year, to keep our community as informed as possible, we will be sending out three shorter mailings, (fall, winter, and spring) instead of the usual two longer newsletters. We will also be using our member e-mail list to provide rapid and easy communication. For the latest information, please check our website: [www.lifespectrums.org](http://www.lifespectrums.org). We look forward to seeing you when we all converge at **Albright College, August 1-6, 2004.**

**Life Spectrums has always been a volunteer, non-profit organization, and our best supporters are those who attend our conference and know the magic of the Rainbow Experience. If you would like to volunteer to promote our conference in your area, please contact Josie Campisi at (717) 792-5990 or Diane Carton at (410) 343-0262 or email [josiecampisi@aol.com](mailto:josiecampisi@aol.com)**

Mark your calendar now for our August 1-6, 2004 gathering!
